Grade 2 – Mrs. Sarra

## General Classroom News

Grade 2 children have worked very hard during TerraNova week, and we have tried to do our best. Now we are about to celebrate the sacrament of Reconciliation. It is wonderful that our families will join us for God's special graces. Our reading skills are growing as we focus on plot and think about what happens first, next, and last in a story. In math, we continue to solve subtraction problems. Will we regroup? Perhaps subtracting mentally will be best. Our social studies discussions on money and trade will certainly be interesting, especially when we talk about shopping (which we like to do). St. Patrick's Day is almost here. Will leprechauns visit us this year? Catch them if you can!

## Parent Reminders

March 9<sup>th</sup>, 7:00 p.m. - First Penance at St. Elizabeth's Church

March 12<sup>th</sup> - Second Trimester ends

March 31<sup>st</sup> - Half-day for beginning of Easter break

## Happy Birthday

March 2 - Jeremy Meima

## Student of the Month

Our High-Five Student of the Month is **Jeremy Meima**. Congratulations to a hard-working young student!
