St. Patrick's Day—
No School

March 19th—Report Card
Conferences
Noon Dismissal

March 31st - Easter Vacation
Begins
Noon Dismissal
(No aftercare)

Snow, Snow and more Snow! That is what February had in store for us. Hopefully, we will begin to see some signs of spring.

We began the season of Lent by attending Mass on Ash Wednesday. Learning about angles kept us busy in Math, theme is the skill that we worked on in Reading, and in Language Arts we focused on prepositions. During Social Studies, we have been discussing some inventions in the 1800's and in Science we have been learning about animal reproduction.

As we look ahead into March, we will spend our first week concentrating and doing out best on the TerraNova. We will discuss the Triduum and Easter during Religion, continue to work on Geometry in Math, and focus on pronouns in Language Arts. We will be studying animal adaptations in the coming weeks and continue to learn about the 1800s in New Jersey.

Grade 4 would like to “thank” Mr. V. and Grade 7 for making the Mardi Gras such a wonderful event for us. We had a great time!

Congratulations!
