## Sixth Graders

### in Action

It is hard to believe that February has come and gone leaving behind memories of SNOW! Despite the shortness of the month our journey of knowledge continued. In science we explored the parts of a cell, while in math the multiplication of fractions became an easy computation. The adventure novel Hatchet unfolded in reading as we time traveled to the ancient

Byzantine Empire in social studies. We also examined the contributions of many Black Americans in our Black History Month reports. We completed our parts of speech review with conjunctions and interjections. Moses in the desert and Lent were our focuses in religion. TerraNova testing week is now here!

HAPPY BIRTHDAY

DR. SEUSS!!!!

### WHAT'S AHEAD

March 5 School Liturgy

March 12 Second Trimester ends

March 15 School Lenten Penance Service

March 19 Report Card Conferences

March 31 Vacation Begins

The conquest of Canaan, Kings Saul and David, cell division, and basic sentence parts await us in March.

### HIGH FIVES

High Five to our Varsity cheerleaders for their Eastern State Division win.

High Five to our Grades 5&6 Basketball team for making it into the play-offs!

High Five to Jade Weatherington, our Student of the Month!
