

# March

## HIGHLIGHTS!!!

February was fun, fantastic, and of course fabulous!!!! For such a short month we accomplished sooo much! We have worked very hard on our most frequent words and will be quickly adding more to our flashcards at home. For Presidents Day we learned the song, 44 Presidents. For Black History Month we discussed famous Black Americans both past and present. Valentines Day was filled with love and candy. For Mardi Gras we made masks and enjoyed the 7<sup>th</sup> grade celebration. On Ash Wednesday, Father Alex visited us to distribute ashes. We also talked about how we can prepare for Lent and decide what we were giving up. For the 100<sup>th</sup> day of school, kindergarten got together with the 1<sup>st</sup> grade to trace our hands and feet. We then counted to 100 and hung them up in the hallway. March is here and we are looking forward to learning about Easter. We also can't wait to see what fun tricks the leprechaun will be playing on us. Hopefully we can catch him this year in our new trap!!!!

## Green Tip of the month:

You don't have to wait till grocery bags are banned: Say no to plastic or paper ones now. Instead, bring your own reusable shopping bags. Consider an entire set of reusable, double-handled bags that work great for a large order, and reusable organic cotton mesh bags for your fruits and vegetables.
