# Mrs. Gwaldis

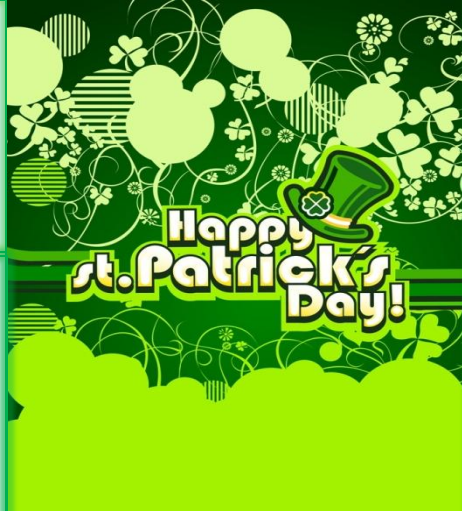

## Pre-K 2 $\frac{1}{2}$ -3

### Reminders. . .

- There will be a 12:00 dismissal on the 5<sup>th</sup>.
- No school on March 17<sup>th</sup> for St. Patrick's Day.
- There will be a 12:00 dismissal on the 19<sup>th</sup> for parent-teacher conferences. You will be notified if a conference is needed. If you were not notified, but you want a conference, just let me know.
- SME Academy's annual Tricky Tray is on the 19<sup>th</sup>.

### Needed

Our class is in need of Lysol/ Clorox wipes. We use them to disinfect our tables and other surfaces. We also need baby wipes for our faces and fingers. Tissues would also be wonderful. Any donations are always greatly appreciated.

### March Birthdays

Michelle Lin will turn 3 years old on March 17<sup>th</sup>.

## Happy Birthday Michelle!!!

*Thumbs Up to all of my hard workers!!  
Great Job!!*

*High Five to our Star Students for the month of February!!*

- Eric Pietrzak - February 5<sup>th</sup>*
- Xavier Jones - February 19<sup>th</sup>*
- Victoria Santos - February 26<sup>th</sup>*

### Look what we have been up to. . .

We've had so much fun this past month. It was indeed a fun, exciting, and very busy month. For starters we joined the rest of the school to celebrate Catholic Schools Week. By doing so, we shared many fun activities such as "ice skating" with Mrs. Raudys' and Mrs. Calleja's classes. We learned about different cultures and even had our very own Olympics. And of course I cannot forget about the pig races. It was so much fun. We had a wonderful time with Mrs. Cannon's 4<sup>th</sup> grade when they helped us make our Valentine's sharing craft, "Puppy Love". I cannot forget our Valentine's Day ice cream party... YUM!!! We've learned our way through the letters Q-S, and the numbers 4-6. We've been working a lot with letter sounds as well as directional words. The children have been counting object and matching the quantity to the appropriate number. They've been working very hard and are doing a great job!

### Looking Ahead. . .

In the next couple of weeks we will continue with our alphabet up to the letter X. We will continue our numbers up to the number 10. We will continue learning descriptive, directional, and positional words. We will be practice writing letters and numbers. We will also continue with reading and math readiness with matching activities. We will be doing many crafts in class for St. Patrick's day and Dr. Seuss' birthday. . Green eggs and ham anyone? The children will be encouraged to try Dr. Seuss' classic on Wednesday, March 3<sup>rd</sup>.
