Savings Begins

3/19 - Conferences -
12 noon Dismissal

3/31 - 12 noon
Dismissal - Easter
Vacation Begins

4/12 - School
Re-opens

Look What We Are Learning

This past month has been very busy and exciting for us. After discovering how ground hogs live, we were anxious to hear the news from "Punxsutawney Phil" that there will be six more weeks of winter. During Catholic Schools Week, we competed in the Olympics held between the Pre-K classes. On sharing day the 7th graders helped us make "Valentine Fish". They were very patient with us and we hope that they will visit real soon. We had an enjoyable time "ice-skating" in Mrs. Raudy's room and sipping hot chocolate.

During the month of March we will be learning about the season of Spring, the many insects that visit us during this time, and the preparation of Easter.

Happy St. Patrick's Day to All!

Special Thanks

We would like to thank Mrs. Martin and all who donated to our Valentine's Day party. We had a blast eating ice cream sundaes. Also, Thank you Father Alex for coming to our classroom and giving us Ashes to prepare for the season of Lent.
