Mrs. Raudys' Corner:

Pre-K4 is ready to "March" into next month. February brought us so many new and exciting days. Our groundhog did see his shadow and we know that spring is just around the corner. Our Valentine exchange was delayed because of "Mother Nature" and our wonderful snowstorms, but we had fun anyway once we did get to celebrate, the best was creating our own ice cream sundaes, they were so yummy!

Through the month, we enjoyed learning about our past Presidents and what money they are on. Check out your pennies and quarters! Our Lenten season began with receiving ashes on Ash Wednesday.

In March, good nutrition and health will be reviewed so that we can start our new spring season with healthy habits. We will be continuing with our alphabet and reviewing our numbers will be ongoing. Next, we are looking forward to the color "green" and with a "little bit of luck" we will soon be experiencing the new life that is about to pop up.

Lastly, we wish everyone a Happy Saint Patrick's Day and Happy Spring to all!

### STARS OF FEBRUARY

Joseline Gaona

Sebastian McFadzean

Fr. Alex for visiting our classroom to distribute ashes on Ash Wednesday.

Mr. V and the 7<sup>th</sup> grade for Sharing Day. We all had a lot of fun working together, also for Mardi Gras to start of our Lenten season.

Thank you to all the children who participated in Cultural Day by sharing with us their heritage. We were exhausted from traveling to all the parts of the world!

**HAPPY BIRTHDAY!**
